

What Should I Talk About With My Girlfriend?

Talk to Your Girlfriend About the Future

- Discuss what you'd like your future to look like.
- Discuss what you want to be when you're older.
- Ask if there's someone that she looks up to or inspires her.
- Discuss your plans for the coming weekend or holidays – perhaps you can spend some of that time together.
- Does she have any self-improvement goals?

Talk to Your Girlfriend About the Past

- Discuss a favorite childhood memory.
- Discuss an embarrassing experience you've both had in life.
- Find out if she's moved towns or schools before and how that went.
- Discuss your proudest moment and ask about hers.
- Ask her what she wanted to be when she was younger.

Talk to Your Girlfriend About the Present

- Discuss your favorite shows or movies.
- Ask your girlfriend to explain when she feels the happiest.
- Discuss your day with each other.
- Read up on your star signs and find out if they're accurate.
- Discuss your favorite date night.

Talk to Your Girlfriend About Herself

- What are her interests and hobbies?
- Ask about her family dynamic.
- Find out who her best friends are.
- Tell her what you like about her.
- Talk about your fears and concerns or things that really get to you.
- Ask her about her spiritual beliefs and values.
- What is her biggest turn-off?
